

## Health & Safety Vision Statement

It is the intention of GPC74 Ltd to promote a positive health and safety culture within the workforce, and achieve high standards of health and safety performance for all of our construction projects.

We are uncompromising in our commitment to the health and safety of our employees, subcontractors, customers and community.

### HEALTH & SAFETY AIMS FOR OUR PROJECTS

During our activities we aspire to:

- ▶ Achieve zero reportable incidents and minimise minor injuries.
- ▶ Comply with all current Health and Safety Legislation and Approved Codes of Practice.
- ▶ Ensure compliance with Client safety requirements.
- ▶ Work with and advise the Client in their aspiration to provide a 'better' environment for their employees.
- ▶ Maintain safe and unimpeded access and egress from the site, particularly emergency access routes and minimise the disruption to neighbours (both vehicular and pedestrian).
- ▶ Identify and address all risks arising from both our activities and our Contractors' activities, including fire risks.
- ▶ Monitor and co-ordinate, through our Site Management (and Health and Safety Manager) the use of safe procedures, tools, plant, equipment and the appropriate use of Personal Protective Equipment.
- ▶ Work with the other Contractors to maintain safety and site co-operation.
- ▶ Employ a Health and Safety Manager to carry out safety audits and inspections.
- ▶ Maintain adequate welfare arrangements for the workers, including Contractors.
- ▶ Assess the impact of site activities on the environment and minimise this impact where possible.
- ▶ Identify and provide health and safety training to promote awareness of the health and safety of workers and others where necessary.
- ▶ Improve safety performance year on year.

### HEALTH & SAFETY RESPONSIBILITIES

- ▶ All personnel are expected to comply with health and safety measures in place and take positive action in reporting and dealing with any deviations from our high standards.
- ▶ All staff are responsible for health and safety and are empowered to take action to address any issues.

**Together we will THINK, COMMUNICATE and WORK SAFELY,  
every minute, every hour and every day.**
